

TRANSFORMING HOLY CROSS' VISION FOR CAMPUS WELLBEING

Making it easy for employees to access resources available to you and your family members

Human Resources (508)793-3391

In support of our World-Class Workforce pillar and ASPIRE, this Institutional Report for Wellness was created to make it easy for employees to understand and access the many resources we provide to support health and well-being. Our offerings also enable us to attract, and retain a workforce that enables the College's overall excellence.
